UNIVERSITY OF MARYLAND

COLLEGE PARK 20742

VICE CHANCELLOR FOR STUDENT AFFAIRS

OFFICE OF GREEK LIFE
454-2736

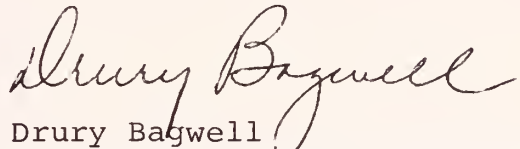

Greetings to the Greek Community:

It is indeed a pleasure to see the University of Maryland Greek system produce another issue of the Frieze. The fact that members of fraternities and sororities are concerned about the events and people associated with all of the chapters is one of the reasons that a strong community spirit exists among Greeks.

This year has seen the Greek System build to a total membership of 2,600 people in 53 chapters. The Frieze makes it possible to review the events and people who have made this a most memorable year for all of us. We sincerely hope that each of you will build on these experiences to enjoy continued success and happiness.

Al Peterson
Assistant Director
of Campus Activities
Greek Life Coordinator

GREEK WEEK

When you can do the common things of life in an uncommon way, you will command the attention of the world.

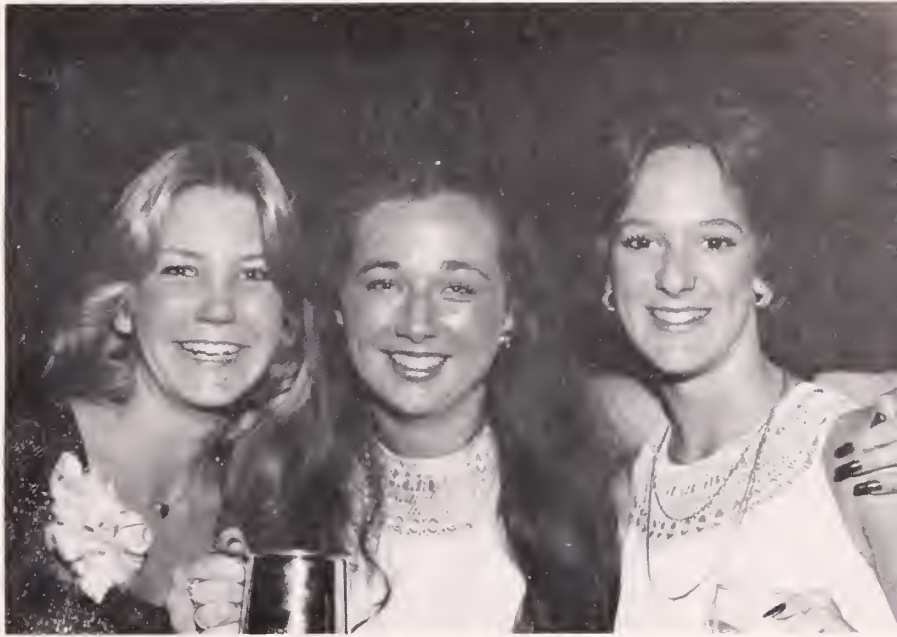

All the world astounds me and I think I understand that we are going to keep growing, wait and see.

MARCH 2, 1978

Making friends
For the world to see.
Let the people know
We got what we need.
With a friend at hand
You will see the light.
If your friends are there
Then everything's all right.

THE "VOUS"

When we drink
We get drunk.
When we get drunk
We go to sleep.
When we sleep
We commit no sin.
When we commit no sin
we go to heaven.
So ... Let's all get drunk
and go to heaven!

IFC

Never look down to test
the ground before taking
your next step. . .

eye fixed on the far horizon
will find his right road.

Special thanks to Mr. Leber and University Press

And so another year has ended and the University of Maryland closes another chapter to the Maryland story. The 1978 Frieze has become another link in the recorded histories of the school. May it provide many hours of reading and remembering, not only now, but in years to come. It is our wish that success and good fortune come to those who will be leaving. To those who will be returning to campus, we hope that your endeavors in your college careers are that of fulfillment and pleasure.

We have made a sincere attempt to capture the Greek system in its everyday movements. We do know that the entire student body will not be satisfied with this book, and that it is inevitable that there will be mistakes and oversights. But if in years to come if you are able to look back at this book and possibly remember and smile, then this publication will have been a success.

Fraternally,

Kim & Frank
